“Meet the CO’s” provides an opportunity for local civic and business leaders and local residents to hear first-hand about the mission of local Navy, Marine Corps and Coast Guard commands from the commanding officers or executive officers and to meet key personnel from each unit. Navy League Monterey presents “Meet the CO’s” as a community service to foster a better understanding of the Sea Service organizations in Monterey County and help military and civilian personnel assigned to these commands learn more about local people and businesses.
